\*52x Recording requires High-Speed Compatible CD-R Media

For duplication on a limited budget, Microboards offers the low-volume QD series of CD and DVD copiers. The QD series offers easy one-touch operation in a compact, economic package!

The QD series' small footprint and slim profile make it a great fit for the small office or music studio where space is at a premium. With one-touch operation and no connection to a PC, the QD duplicators can be run by anyone in the office!

The QD series is available in a range of models to meet the needs of many different users. For users requiring simple, one-to-one duplication without a PC, the QD-2 is ideal. For a little more speed, try the QD-52, featuring 52x record speed. Or, if your volume needs are a little higher, make three CDs simultaneously with the QD-123. If your demands include the occasional DVD copy, then the QD-DVD gives you all of the features of the QD-2, but with DVD-R support!
